

# Furniture Leasing

## Overview

Flexibility and pragmatism may require a business solution that ensures you get the best furniture for incredible spaces without the upfront investment. Tetris Furniture Solutions has a global financing option to provide furniture leasing.

## Benefits

- **Protect cash flow** – you can invest monthly or quarterly in their furniture assets. The power is in your hands as you can control expenses and keep equity available.
- **Leasing allows you to have a flexible solution.** Combination packages can be negotiated for a mix of purchased and leased furniture.
- **You can select the duration of the lease**, ranging from two to five years
- **Quotes for leasing options are provided within 48 hours** and accepted within a week of approval from you
- **At the end of the contract, you can acquire the furniture** or replace it with another leasing option.
